

Welcome to the SNIP Newsletter, where we invite you to renew your membership and attend our AGM on the 25th June 2018. We don't receive any official or lottery funding so individual donations are our lifeline. Without your vital support we could not help as many strays and feral cats in urgent need.

Hello and welcome to our newsletter. 2017 was another busy year and we were able to re-home over 300 cats. 2018 has got off to a great start too. We have weathered mini-heatwaves, rain and the Beast from the East on our travels of thousands of miles across the UK. We hope you'll enjoy a selection of happy stories and pictures from our wonderful adopters .....

"I just wanted to send you a quick message to say solo is awesome and today I fussed the boy for the first time. Video and pics attached..." Laura (via Facebook)

"I just wanted to send you an update on Shadow and Tiger the 2 kittens in Staffordshire. They are an absolute delight and wouldn't be without them. They are great hunters too!!!! Here is a few pics of them..." JW, Staffordshire (Via Facebook)

“Just to update you on the two cats we had from you back in mid March...Thought that you would like to know that they have settled really well. They spend a lot of time in the hay barn which is open fronted on to the yard so they have chosen a position higher up with a good view. They have also got to grips with the cat flaps so they can get inside away from the dogs etc. They are very sweet and so nicely marked. We are really delighted with them. Many thanks.”

“I thought I'd share this pic of Tempest & Stormy (as we have renamed Belle and Teddy - the black one is Tempest as she is a little fireball!) out enjoying the sunshine flooding into the barn this morning. They were released a week ago and have stuck around thankfully! They are both lovely to have around and are getting down to mousing duties. Thank you.” AH Huntingdon, Cambs

SNIP on TV! We had a wonderful day with BBC's CBeebies Team in January. Their farming programme 'Down On The Farm', filmed our SNIP volunteers delivering a pair of Tabbies, Rudolph and Blitzen, who are taking up mousing duties at the Farm Club in St Ives, Cambs.

## NEW DATA PROTECTION LAW

SNIP is committed to protecting the privacy of personal data that we maintain about our adopters.

In line with the EU's General Data Protection Regulation (GDPR) we would like to ensure that you are happy to continue receiving our newsletter. ## DIRECTIONS

We hope you can join us and give your support for this fun evening. Please note this unit is not marked RSPCA as it is not open to the public. It is marked as UNIT 1G. If you ask for the RSPCA locally they will wrongly direct you to the Harmsworth Animal Hospital almost opposite.

To find the venue get to the junction of Thane Villas and Seven Sisters Road, where there is a café called The Atlas. The Emergency Fostering Unit is next door, behind a car park, with a big yellow industrial bin outside. It is between The Atlas and Regents Studios. There is a buzzer you need to ring to gain entrance. Please bring proof of ID at the meeting

“As you can see Dragon is at home, both cats are still here, we don't see a great deal of Phoenix and when we do she hisses and growls, but so far so good...”  
JP, Cambs.
